

Asian Heart Institute (AHI) has been set up with an aim to provide world-class cardiac care in India. In just 12 years, Asian Heart Institute has treated more than 2,40,000 and has completed over 33,000 angiographies and more than 20,000 heart surgeries. AHI has a staggering success rate of 99.3% in bypass surgeries and overall 99.83% in cardiac surgeries, which is among the highest in the world.

Asian Heart Institute is India's highest accredited hospital by -

- JCI (Joint Commission International)
- NIAHO (National Integrated Accreditation for Healthcare Organizations) and
- ISO (International Organization for Standardization)
- AHI is also ranked by JCI - the world's premier healthcare accreditation agency, as the No.1 among its participating hospitals

AHI also has been ranked as -

- India's Best Private Cardiac Hospital* In 2014, by the Health Care Achievers Awards hosted by the Times of India Group.
- India's Best Private Cardiac Care* two years in a row in The WEEK-Hansa Research.
- Amongst the TOP 10 World's Best Hospitals for Medical Tourists by Medical Travel Quality Alliance (MTQUA).
