**Patient Service:** We offer both out-patient services and in-patient services at our hospitals. We have a dedicated team of Ophthalmologists, nursing staff, administrative staff and support staff to ensure that all our patients receive excellent treatment.

**Out-patient services:** Work on all days except Sundays and festival holidays. Depending on the nature of the problems, patients are diagnosed and treated as out patients. However, if the treatment requires special procedures or surgeries, patients are advised of the speciality facilities available and are counseled.

**In-patient services:** We offer state of the art facilities and have 2 operation theatres complexes and one septic OT equipped with latest equipment and trained dedicated personnel. Which consists of deluxe rooms, A/C rooms, single occupancy on payment, general wards and day care. Trained ophthalmic nursing assistants provide Twenty-four hour nursing care.

## Lead Doctors:

Dr. Col. Madan Deshpande

Dr. Rahul Deshpande

Dr. Sucheta Kulkarni

Dr. Kuldeep Dole

PBMA'S H. V. Desai Eye Hospital, set up in the year 2000, has now become a base for all prevention of blindness activities as well as vital research in eye care under one roof. The specialized eye care service matches the best and is provided with compassion and kindness. It has gained widespread acclaim, both nationally and internationally.

Since inception of H. V. Desai Eye Hospital up to March 2016, we have examined 28.70 lacs cases and operated 4.21 lacs cases. This was possible only because of timely help by INGO's like CBM, ORBIS International, Helpage, Sightsavers, Rotary International, Fred Hollows Foundation and Lions Club besides many other friends and well wishers.
